HOW WARREN G. HARDING WAS NOMINATED BY THE REPUBLICANS

Story of the National Convention at Chicago, the Struggle to Build a Platform and the Selection of a Ticket.

GOVERNOR COOLIDGE GIVEN SECOND PLACE

Wood, Lowden and Johnson, Leaders in the Early Balloting, Eliminated at the Behest of a Senatorial Coterie and a Dark Horse Wins the Race.

By EDWARD W. PICKARD.

Per President-WARREN & HARD-

For Vice President—CALVIN COOL-IDGS of Meanschutetts.

There is the titlest with which the Republicane hope and tailoud in regate possession of the national government acre 5.11

For president, a man from the former state of many presidents, a statement of long experience and solid organization, who has been a member of the Desired States security sizes 1914, a member of the "old guard" who stands well with the Republicates who are in contrained the security.

For vice president, the governor of the Bay state, who was trimely makeeper to the nation at here tired? It strike of Buston policemen and his vigactus congress to the appearation gave him a wast summent of pathletty and made him the favorite out of Messachuserts in the ballot: for first place

These qualitation attack before the electron of the resultry on a planfrom that is us broad that it subreach some that is us broad that it subreach tentry every topic and form of the day, though there are those who smooth that in some places the planks are perliausly thin. Its builders, however, maintain that there is no disquest of the candidates falling through the work uport, and it may be that, with your judicious atraddling and side step-

Struggle Over the Platform.

fieldem. If ever, has the choice of a presidential candidate been so eloogy to connected with the building of the plutfers—or it might be more exact to say the rejection of a candidate. For it Hirm Johnson and the supporting could have compelled the adoption of Just the plants inside the adoption of Just the plants inside, the California seanor, and he adone, could with consideracy have consected to go before the people statisting on the platform as to was, his threat to both the party caused a long deadlant in the desired and the constant of the consulties on resolutions and at least forcest the niley time of a glonck based on the cultied augmention of Edits Roset. That when have been able to the constant best course to Strong, hot keep in class place with the delays in Chicago and at the crackel moment in the spine has not been appeared to Johnson, break, MacCarnalett and the other Tracconcilables" and accepted to been.

The resolution as finally incorporated in the platform, and semiliered by the concention, almost a sithout a guiver, completely avoids may plottee in rathy the treaty of pours and the language communication of the linguistic senarors in that years are senared and promises that the porty will work for some kind of international arrangement for the possorial adjustment of disputes between mattern without the marribon if American movenings, Thus, are all the seas, the way he left open for an ediministration included in this platform to do almost arribing it were fit his the regard, as easily in rathy a freely support of the platform of the same arribing it were fit his the regard, as easily in rathy a freely and length of some many and length of some many and length of the season as President Wilson and President Wilson.

Wilson's Policies Scored.

Wilson's Pations Searce.

For the rest, Ito pint form, in brief scores President Wilson and the Personnell Searce of the Searce

The farmers gained their requested support for existation of farm bound and the right to sugage in co-operative hand the right and buriers.
